Purpose of this Project

The purpose of any animal project is to help teach youth life skills. Life skills are skills that youth need in order to transition into a healthy, responsible adult. Animal projects specifically target the life skills of:

- **Responsibility:** (feeding and caring for an animal on a regular basis)
- **Determination:** (working with the animal on a regular basis in order to show it.)
- **Record Keeping:** (keeping a record of the animal's health and feeding)
- **Sportsmanship:** (practice being a good winner and a good loser through competition with peers and self)
