Leader Signature Date

Youth Animal Project Agreement
(to be completed at beginning of project)

The youth is responsible for caring for the animal, which will include feeding, deworming, providing fresh clean water, providing a pen, washing, and showing. The youth will use this project as an educational tool to learn skills needed in the livestock industry. This project will also help the youth to accept success and failure as a learning experience. The youth will keep accurate records on their project animal.

I accept these responsibilities.

Date _____ Signed-Youth _____

The parents are responsible for providing financial help if needed along with the assistance and encouragement while the youth is raising this animal.

Date _____ Signed- Parent or Caretaker _____

PURPOSE

The purpose of a market animal project is to achieve the following:

- To acquire an understanding of the animal industry by preparing for, purchasing, caring for and keeping records on one or more head of animals

- To be able to identify the types and breeds of animals and employ efficient methods of production and marketing.

- To understand the business aspect and economics of purchasing animals, feed, facilities and equipment for an animal project

- To develop integrity, sportsmanship, and cooperation
